

MACMRO

Our PPE 4 arc flash kit offerings come in our standard clothing option which is made of varying layers of Aramid , and is rated at 100ATPV. The 100 cal kit comes in the jacket and bib, jacket and pant, coat and legging, and coverall clothing options. A hood with hard cap, grey tinted face shield, and safety glasses, provides head and face protection. Kit also includes 14" Class 4 rubber insulating gloves, 12" leather protectors, ear plugs, glove bag, and gear bag to carry everything in.
